

**You Are Invited To Attend A Complimentary Introduction
With Dr. Joseph Steffey & Carol Withrow**

The information we will present is new to many but ancient in origins. It is an opportunity for personal transformation and creative manifestation. This experience was reserved for Kings, Queens, Pharaohs, High Priests or Priestess and graduates of mystery schools. It also provides opportunities for helping or healing an extensive variety health issues or conditions.

All of us experience life “traumas” that affect our bodies, mind and spirits resulting in dys-functions. Left uncorrected these dys-functions turn into familiar Conditions or Dis-eases.

The primary dys-function we are concerned with affects the cerebral spinal fluid flow and central nervous system, this in turn directly or indirectly controls every other function and system in your body. Correction could benefit conditions like:

- | | | |
|----------------------|---------------------|--------------------|
| Headaches | Sinus Problems | Digestive Problems |
| Head & Neck injuries | Neuritis & Sciatica | Circulation & BP |
| Mental Clarity | ADD or LD | Postural Problems |
| Vision | Anxiety | And More ... |

IN THIS CASE WHAT WE DON'T KNOW CAN HURT US.

We are in a new millennium immersed in new energies. IS YOUR mind, body and spirit keeping up? If not you may be experiencing blockages, problems and dys-functions keeping you from achieving your dreams.

Are you ready to invest in yourself and make a quantum leap in consciousness ... vitality ... and health?

If so join us on: Sept. 13, 2007
